Baylor Theatre Touring Co. Presents Macbeth at High School Auditorium

A colorful, realistic production of Shakespeare's "Macbeth" by Baylor Theatre Touring Company comes to Hamlin May 4, under the sponsorship of the Woman's Literary Club.

The touring version of the same play which attracted audiences to Waco from all over the Southwest will be presented in the High school auditorium at 8:00 Monday evening. Tickets may be purchased from Mrs. Tate May.

The Bard of Avon's classic tragedy has been interpreted in a modern vein, giving free rein to its driving power and modern significance. The story of Macbeth parallels the rise of many modern dictators who have killed to gain their power and have been forced to kill to maintain it.

The witches and their weird flowing dances open the play, and from this mysterious opening, the play never slackens its pace. Macbeth's rise to power as he is engulfed in the consequences of his deed is climaxed in a hard-fought battle scene involving actual combat with swords, daggers, spears, and staffs.

Baylor University's touring company is the first collegiate group of its kind in the Southwest. Sponsored in part by Rockefeller foundation the group of fourteen are producing "Macbeth" and two religious dramas in thirty-five cities in Texas in addition to productions of "Borned in Texas" in six army camps over the state.

Special scenery, unusual lighting effects and costumes carried by the troupe, provide an effective setting for the play.

Pvt. Revis O. Robertson, son of Mr. and Mrs. R. J. Robertson, writes his friends that his address is 301st Sqdn. Recruit Detach. Kern County Airport, Bakersfield, Calif. There are several Hamlin people whose address is Bakersfield who should look Revis up and entertain him some Sunday. Also remember Hamlin soldier boys enjoy getting a card or letter from their home-folks. To be remembered helps a fellow sleep better when far from home.

The Old Boys Counted Fast At Monday Registering

Now somebody will say "Ye Editor is bragging" when we tell you the "cream of the crop, the bulk of the bunch, the pick of millions" registered last Monday for "war duties." It was the "Old Man's Day," and how they did flock down there to register.

Late in the morning, Ye Editor sauntered off down that way to register on the dotted line, and by heck, they had such a crowd in there till a guard had to stand at the door and hold the jam back. The biggest bunch of "boys" yet seen at any registering in Hamlin.

Long before night Herman McBride, who was managing the registering, ran out of cards. The same report comes from Anson, and as far as we can learn the old boys counted up pretty fast all over the nation to about two times what either of the other R days were. So why not say "The bulk of the boys, and the pick of the crop."

Somebody will say, "The old guys can be happy and ready to sign up, because everyone of them know they will not have to go to fight." Buddy, you don't know human nature if you talk that way. Thousands of those men over the nation have sons already on the battle front, or soon will have and would welcome a chance to go fight with them or take their places. Their spirits are anxious and willing but maybe their bodies have been "picked" and they could not stand all the gaff.

We say they are the pick of the crop, because its likely everyone of them has been "picked over" a plenty in the 45 to 65 years of their lives. Today the bulk of the financial and moral responsibility of the nation lies upon their shoulders. So when Uncle Sam says come do this or that, the old boys will yell with gladness when they are called to do something concrete to help their sons whip the stuff out of the bull-headed Germans, the Yellow slant-eyed Japs.

Yes sir, it was clear pride seen in the faces of the elderly men Monday

Iris Pribble Fights To Get Into Army

This week L. B. Pribble, rural mail carrier on Route 1, handed the Herald a clipping from the Hobbs, New Mexico News-Sun, which told about Iris Pribble being "Hobbs' Most Rejected Man." It seems that Iris was introduced that way last week at the Hobbs Lions Club. The article reads as follows:

"Iris was one of the first Lea County men called when the conscription began last year. He was rejected because of physical disability. After war started, Pribble tried to volunteer with both the Navy and Marines and was rejected both places. Last week, he enlisted with Capt. Kern Aldridge's Wrench Regiment, and again was turned down.

"But I still have hopes," Pribble said today. "I think the local draft board is going to call me next week, and maybe I'll get in that way. If not, I hope to get in some kind of defense work."

"Pribble's brother, Foy, is one of the U. S. fighters in the Philippines."

The Pribble Bros., Iris and Foy went from Hamlin to Hobbs and started a good floral business. Both were called early, and Foy is one of several Hamlin boys caught in the Philippines. He has not been heard from in a long time. But the few from Hamlin and Texas is small compared to the 55 taken from one county, Lea, New Mexico, with Hobbs furnishing many.

The paper says, "The 200th Coast Artillery, whose gallant heroes are believed to have fallen in the jungle fighting on Bataan or to have been captured by the Japanese contained fifty-five of Lea County's own sons."

day to feel that once again they had a chance to line up for some kind of service in a fight for their country, and we are glad to say that for them.

Line Up For Sugar Register Mon. or Tues.

Registration for the rationing of sugar will be held in the Hamlin High school building, beginning May 4th at 8:30 A. M. and will continue through Thursday, May 7th. School will be dismissed Monday, May 4th and Tuesday, May 5th, and it is our desire that all who can will register during those two days.

We are dividing our town at Seventh street which is the street running North of the High school and North of the City Hall. We are requesting that all persons living on the North side of this street and North of this street register on Monday, May 4. All persons living on the South side of this street and South of this street are requested to come on Tuesday, May 5 and register. One member of your family, if he is over eighteen years old may register for the entire family. All persons living outside the city limits and West or South of the Anson-Hamlin highway and West of the Aspermont highway are requested to register on Monday, May 4th. All persons living outside the city limits, and East of the Aspermont-Hamlin highway and East and North of the Anson-Hamlin highway are requested to register on Tuesday, May 5th.

Every person living in the Hamlin school district should register or be registered regardless of the amount of sugar you possess. Later other articles may be rationed. A person taking all meals at a cafe or hotel should register. A person traveling or visiting in Hamlin should register if they are sure that some one is not registering for them at home.

Person coming to register will report at the High school auditorium and will be directed there. Everyone will be registered in the order of their arrival at the registering booth.

A person registering must be able to give the height, weight, age, color of eyes, color of hair of every member in the family and the total amount of sugar in possession of the family.

As it is expected that over 3,000 persons will be registered your patience and co-operation is solicited.

Jones County Sheriff To Hold Open House For The New Jail

Here is your chance to go to jail... a good, nice, new fireproof jail. Sheriff Bill Dunwoody announces that he is holding "open house" to the citizens of the county this week end. Note these hours:

Friday, from 1 to 5 P. M.
Saturday, from 9 A. M. to 12:00 (noon) and from 1 P. M. to 5 P. M.
Sunday, from 1 P. M. to 5 P. M.
What an opportunity! Every citizen should go to jail The Sheriff did not say whether or not he would serve refreshments, like lemonade and punch, but it would be a good idea. Bill says he will promise everyone not to keep 'em locked up more than thirty minutes.

As as for Ye Editor, we have never been in the Jones County jail but once, and then the old, antiquated, nasty, wornout, filthy place was so disgusting and so far from decency that it made us ashamed and sick. So now we are going back to see how the new jail looks. Yes siree, go right over there and get acquainted, even if something to drink is forgotten.

Go look at your jail.

Miss Lennie Greenway and her sister, Mrs. Sallie Goedeke were visited Sunday by flying instructor, Charles Walker from the Garner Field at Uvalde, Texas. This young man is a Hamlin born boy, a son of Mr. and Mrs. R. E. Walker, formerly of Hamlin, and now near Plainview. His mother is a sister of Miss Greenway. Young Walker is a graduate of the State University, majoring in aviation instruction.

Brotherhood Meeting At Sylvester May 5

Harvey Cromwell will speak to the bi-district brotherhood Tuesday, May 5, at 8:45 P. M., at Sylvester Methodist church.

Mr. Cromwell is Professor of Speech in McMurry College. He will speak on the subject, "The Layman's Place in a World at War." Every man is cordially invited to come enjoy a good meal, and an inspiring message. We would like to see 100 laymen at the meeting. There were only 49 at McCaulley for the last meeting. We must not give up God and His work.

Remember to be at Sylvester on Monday night.

Mrs. M. Y. Wilson returned last Saturday night from a stay of five days with her son, M. Y., Jr., in the Army hospital at Ft. Leavenworth, Kansas. M. Y. had been operated upon for appendicitis, while doing service in the air corps. Mrs. Wilson was accompanied by her son Jack Wilson, wife and baby of Hollis, Oklahoma. She has the greatest praise for the army hospital, doctors, nurses, equipment, and treatment. Mrs. Wilson says every mother should get to see an army hospital where their sons might have to be cared for. M. Y. is improving and should soon be back at his post of service.

D. F. Griffin, Jr., a sailor boy on a big battle ship in the Pacific arrived home Tuesday on a ten days furlough. He gave all the family a great surprise. His mother is Mrs. Dock Griffin.

Prepare For Tornadoes

To meet tornado or flood disaster needs or civilian defense emergencies, Red Cross Chapters have just been instructed to create "quilt chests" in all communities and instructions are outlined by Jones County Chapter Foundation room in Stamford.

Of all quilts made in rural or town production rooms, a portion is to be retained and stored in moth, mouse and rat proof manner. Number of quilts kept in the community as "emergency chest" is to be reported monthly to the chapter production room, Mrs. L. M. York, chairman, Stamford. This accounting is required to enable Jones County Chapter to report immediately the number of covers it could supply in event of a sectional disaster or defense need.

An appeal is also made for donations to the Red Cross quilt chest. Persons storing quilts and blankets for the summer are requested to contribute any such coverings that have outworn usefulness in so long as these are clean.

O. G. Ebert was able to come home last Sunday from Houston where he had spent a month taking treatment for eye trouble. A cataract was removed and now he can see fine. He also had some dental trouble removed and now is free from a painful cramping in his legs. Mr. Ebert has been operating a blacksmith shop here 35 years.

Mrs. J. H. Foster was taken to the Rotan Hospital on Thursday for a major operation. She is reported doing fine.

WHAT YOU CAN BUILD

Under the New Government Building Order

Repairs and Maintenance

There are NO RESTRICTIONS On Repairs and Maintenance

"REPAIRS" means the restoring to sound working condition of any building structure after wear or damage, but without changing the design.

"MAINTENANCE" means the upkeep of a building; structure; or project in sound working condition, without any change in design of structure.

Thus, anyone may do any repair or maintenance they desire on any existing building structures. This includes homes; farm or ranch buildings; store buildings; factories; theatres; warehouses; schools or other public buildings, etc. It includes all fencing, walks, out-buildings and appurtenances to such buildings or projects.

NEW CONSTRUCTION

"NEW CONSTRUCTION" includes, not only homes; ranch and farm buildings and improvements; commercial structures, etc., but also additions to or design changes in any existing structures of any type.

FOR FARMERS & RANCHERS

Any farmer or rancher can make additions to, or build new, any individual building, structure, project or improvement (other than his home) costing less than \$1,000. Each individual project must cost less than \$1,000 in any 12 month period. (But remember, repairs and maintenance are unlimited.)

For HOME OWNERS CITY AND RURAL

Construction of a new home or additions and design changes in existing homes must cost less than \$500 in any 12 month period. This applies to farm, ranch, and city homes. But "Defense Housing" is unrestricted. (But remember, repairs and maintenance are unlimited. This includes paint, wall paper, roof replacements, etc.)

FOR BUSINESS CONCERNS

Any industrial, commercial, or recreational business institutional business institution can add to, or build new, any structure or improvement costing less than \$5,000 in any 12 month period. This same applies to schools and public institutions. (But remember, repairs and maintenance are unlimited.)

Residential Replacement

Residences damaged or destroyed by fire, flood, earthquake, storm, act of God or the public enemy since December 31, 1941, can be completely replaced. This applies to both city and rural homes.

SPECIAL PERMITS

Application for a Special Permit may be made by anyone desiring to make additions to existing structures or to build new ones where the cost is above the limits set forth above. Sufficient cause must be shown for such permit.

This week one of our subscribers wrote: "Besides getting all the local news of Hamlin, I have decided that your editorials on the war and slackers along with Geo. Darden's fine 'Darden-O-Grams' are all worth the price of the Herald. Thanks a lot."

M. T. C.

A soldier boy writes: "I have been assigned to the Air Corps but don't know yet just which branch."

"Of course there are not many of us in the army by our choice but as we are in, we are determined to do our best to be soldiers who will honor and uphold all our country's traditions. We are confident of victory and with God's help we will win and it will be a 'smashing' victory."

"Visit with my parents often and encourage them to visit, to come to town, mix with people, etc. I know that will help them in their lonely hours. They must, as well as everyone left at home, face this as bravely as possible. This is their war as much or maybe more than ours and they must train to fight even as we do, though it not be in the same manner."

WELL, soldier, that's the spirit. Upon the manly shoulders of young men like you falls the glory of defending the greatest ideals of government and Christian decency in the history of the world. And you bet we folks back home will not let you down.

—T & T—

Good Results—

By reason of the curtailment of tires, and available automobiles, Texas people have been saved much pain and tragedy, as shown by reports covering the first three months of 1942 as compared to the same period of 1941.

During those months in 1941, there were 393 accidents in Texas and 442 deaths. The same three months' time in 1942, Texas has had 315 accidents and 378 deaths. So we see that curtailment has lessened accidents by 78 and deaths by 64. That is a wonderful "conservation" of humanity.

Hitler's New Hitch—

"Horrible Hitler" has broken out again (at the mouth).

"Horrible Hitler" has gone to begging. Hitler begging? Whoever would have thought Hitler would beg?

"Horrible Hitler" has a habit of making quick, almost unannounced speeches, designed either for his home people or for the countries which he hates. Last Sunday he let out another rage.

You see Hitler burned his German Parliament house (The Reichstag Building) and now when he wants to belch fire and brimstone he quickly calls his uniformed henchmen, so-called Reichstag, to meet in the Kroll Opera House (there he puts on his show).

His Sunday speech was strictly for home use. It would seem "Horrible Hitler" thinks his German people have shown indications of softness, and that will never do, if he and his perishing army whips Russia, whips England, whips the United States and millions of others on whose necks he now holds his heel. Softness will not be tolerated by a dictator.

Hitler says:

"I therefore beg of the German Reichstag explicit confirmation that I am legally entitled to hold anyone to his duties or to sentence or cashier or oust from office and position anyone without consideration of his person or well-earned privileges who in my conscientious opinion does not fulfill his duties".

Hitler is running up against a lot of natural obstacles. The first seems to have been the bitter cold of Russia where "men and machines threatened to freeze", where "the vastness of the country must count a psychological burden", where the "paralyzing effects of cold make men go to sleep and kills them without pain."

Now "Terrible Hitler" is running up against the "human" obstacle. Which obstacle up to the recent cold months has been docile, tractable, seemingly willing, ready to carry out his horrible demands.

German people are not fools, even though they do seem not to have any backbones, or guts. Under the fear of the whip and lash of a Hitler, fighting for (nobody knows what) the German people must suffer. When endurance, hunger, sickness and burned blackness overshadow every hamlet, then it is that the Friends of Freedom will continue their march into the "in-lards" of Germany and cut and slash till every type of war machine is put out of use.

German people may be thinkers but past history does not prove it. Possibly too many of them thought in terms of self while the thongs of tyranny were gripped about them, slowly and certain.

The trip "in" is generally easy and painless, quick BUT the way "out" is long, horrible, deathly and awfully slow. It is now up to German people to get "out" of the shackles they allowed themselves to be led.

—T & T—

What Can I Do?

"In the months that lie ahead, the bodies of many young Americans will carpet the floors of the seven seas or be left behind on battlefields we cannot even name."

"The rest of us must do what we can—and never, never squawk. Indeed, in behalf of the armed forces of this country and all of those who in these days must go down to the sea in ships, let me give you this message."

"If in this War you have to give up every comfort you've grown used to, if taxes take every penny you own, yes, if your very home is blown to bits in a raid, may I be permitted to inquire, What of it?"

"Not everyone can get into the armed forces, but I think today that this country swarms with men and women who are aching to help. Each asks a single question. What can I do? There is just one answer to that—your best."

awake women ply thimble and thread at least one day of each week. While others absolutely do nothing.

The Herald Editor was in the local Red Cross room, Tuesday. There were just two women there . . . one a mother of a son in an air corps, the other with a son in a ship building yard. Just two women. They were sewing on heavy wool garments to be sent to the St. Louis Red Cross headquarters, to be sent where needed over the wide world. Wars tax the energies of all kind hearted peoples everywhere. Each and every small community should do its part. Soldiers are not looking for charity for anything because the government sees to it that they are fed and clothed, but where armies go, where floods, and storms, epidemic and hunger rages, there it is that the loving hand of a good woman in a Red Cross room counts.

Now let's get down to HOME to Hamlin. From Monday through Friday, some one woman has assumed the part of Sponsor for Red Cross work. She has her small group of helpers on those days. Not near enough. Now what they want is more women to ask for a place on days that they can serve.

Women who have a heart to work in such emergency, deserve a place on the Honor Roll. So the Herald is going to take pleasure in starting such a roll, do YOU want on it? Visit the Hamlin Red Cross any afternoon and ask "What can I do?"

Cadet Frank Hillier from Randolph Field came up on Thursday of last week for a two day stay with his parents, Mr. and Mrs. Frank Hillier.

MODERNIZE With Sewall PAINTS

Any kitchen or bathroom, regardless of size or shape, can be made very attractive, if properly styled with paint color. Unsightly fixtures or old fashioned woodwork can be blended out of notice. Even old, well-worn, scuffed floors can be made smart looking by spattering or stencilling. Use color freely in your kitchen and bathroom. We have a wide range of the season's newest color schemes to choose from. It

costs very little to paint a kitchen or bath room. But be sure to use good paint that will withstand frequent washing down with soap suds because kitchens and bathrooms get hard wear and are bound to accumulate a dingy film, finger marks or dirt smudges that just can't be avoided. You don't need cash. Paint jobs applied (your favorite painter if you wish) on low monthly payments.

Farm Records

All farmers are requested by the Internal Revenue to keep farm records this year of all their expenses and incomes. In 1941 only 20 per cent of the farmers in this section of the country kept these records and their income tax was extremely hard to calculate. Since more farmers this year will pay income tax than ever before it is absolutely necessary to keep records. For Farm Record books contact this office.

Disorder of Laying Hens

When laying hens show soiled condition around the vent it is a sign of an intestinal disorder and the following treatment is recommended:

Put 2 teaspoons of soda in a gallon of drinking water for one day. Then make up a solution adding 2 ozs. of blue stone to one pint of vinegar and add a tablespoon full of this solution to each gallon of drinking water until the disorder is cleared up.

Calcium Arsenate Shortage, But Not Sulphur

The cotton farmers will be faced with a decrease of 25 to 40 per cent of an available supply of calcium arsenate for controlling boll

weavils. At the present time the availability of other very effective boll weevil controls cannot be counted upon, but the Department of Agriculture is working on the possibility of securing Paris Green, white arsenic, synthetic cryolite and lead arsenic. There is a definite shortage of all of these materials.

There will be no shortage of dusting sulphur for controlling the flea hopper and every one should watch their cotton closely when the small square begins to form for signs of this injurious insect. It is estimated that the flea hopper cuts the cotton production of Jones County 25 per cent from year to year. An entomologist will be in Jones County this year and make a survey when it is time for the flea hopper to appear. All the farmers will be notified of his findings.

The Schubert Club and Junior Schubert Club co-sponsors a two piano program, presenting Misses Eva Mae Coffman and Carlisle Holshausen of McMurry College, Abilene, Thursday evening, May the 7th, at 8:30 o'clock at the Baptist church. The public is cordially invited to attend.

The club also wishes to call attention to other music affairs in Hamlin during Music Week.

The Hardin-Simmons University Quartet of Abilene will present a program Sunday night, May 3rd at the Baptist church.

Friday night, May the 8th, the High School Band will give a concert at the High School Auditorium.

A sacred concert will be given at the Methodist church Sunday night, May the 10th.

Former Hamlin Girl Marries In Breckenridge

Miss Zelma Knight, daughter of Mr. and Mrs. L. R. Knight, and Jack Harris, son of Mr. and Mrs. A. G. Harris, were married Monday evening, April 27, in the parsonage of the First Baptist church in Breckenridge.

The single ring ceremony was read by the pastor, the Rev. Roger Hebard at 8:00 o'clock with only the bride's and groom's mothers attending.

The bride wore a navy ensemble with white and black accessories. Her corsage was fashioned of red rose buds.

Immediately following the ceremony a reception was held at the home of the bride's parents at 902 W. Dyer Avenue. Among the guests attending were the bride's sister, Mrs. R. J. McIntyre and daughter, Judy of Hamlin.

Mrs. Harris finished High school in Hamlin and Mr. Harris was graduated from Breckenridge High school, and attended the University of Texas, and T. W. C.

The couple are making their home in Fort Worth where Mr. Harris is employed in defense work.

Afternoon Tea Honors Miss Lasley

Miss Edwina Gilbert entertained in her home on Jackson Avenue Saturday afternoon, April 25, with a tea honoring Miss Nancy Craig Lasley, head of the piano department, McMurry College, Abilene. Receiving were Mrs. Jack Russell, Miss Gilbert, Miss Lasley and Mrs. W. H. Gilbert. Miss Selma Hassen invited the guests to the dining room where Mrs. Henry Albritton presided at the punch bowl. Those assisting in serving were Misses Margaret Sellers, Joan Culbertson, Jimmie Dee George, and Bobbie Wilson.

The table was laid in an ecru cloth. Tall white tapers flanked a bowl of yellow iris. Circling the punch bowl were multicolored pansies and fern. Arrangements of irises and pansies decorated the reception room.

Others in the house party were Misses Mary Ann McCollum, Jeanine Johnston, and Glenna Whitaker. Goodbyes were said by Misses LaNelle Carlton and Keith Louise Jobe.

The guest list included the pupils of Miss Gilbert, their mothers, and the Schubert Club. Seventy-five called during the afternoon.

Joe Martin Clements Wins At Abilene

The most expressive smile on any Hamlin boy's face is that of Joe Martin Clements since last Saturday.

Joe came back from Abilene Saturday afternoon with a blue ribbon proving again that he is a boy orator. Joe has gone the limit now. He won in Hamlin, in Anson, in Sweetwater and in Abilene. His subject was "The Fight of the Alamo."

P.-T. A. Meets Thursday, May 7

The Elementary P.-T. A. will meet next Thursday, May 7, at the Grammar school. This will be the last meeting this term and all mothers are urged to be present at 4:00 P. M.

One number on the program will be the winning declamation, "The Fight of the Alamo" by Joe Martin Clements, who has won all the way through the Regional contests.

We are trying to conduct our sugar-stamp registration in one day (Monday, May 4) and to do this we are asking for full co-operation of the entire school district. To eliminate congestion of applicants we are asking the people to follow a time schedule planned for this purpose. If you live northwest of the school building register between 8 A. M. and 10 A. M. If you live northeast of the school building register between 10 A. M. and 12 A. M. If you live southeast of school building, register between 1 P. M. and 2:30 P. M. If you live southwest of the school building register between 2:30 P. M. and 4 P. M.

One adult may register for the entire family, but he must know the age and middle name of each applicant.

Sunday School, 10 A. M.
Morning worship service, 11 A. M.
Juniors, Intermediates and Young People meet at 7:30 P. M.
Evening service at 8:30.

The Woman's Society of Christian Service meets Monday afternoon at 3 o'clock to continue the Mission Study, "Roots of Christian Democracy in America."

Mid-week prayer service Wednesday evening at 8:15.

Choir practice Wednesday night after prayer service.

The pastor is out of town this week holding a meeting in Albany, but he will be in the morning services Sunday—probably no evening services Sunday. Let's remember the Lord's Day and worship as He would have us spend the Day.

Baptist Pastor Is

In San Angelo

As I announced Sunday, I am in San Angelo in a revival. I am with the Lakeview Baptist church, a new church in the city. We had a splendid congregation last night and one conversion. There are some lovely people here, and we trust that God will give us a great revival. I covet your prayers while I am here.

Dr. N. A. Moore, head of the Bible department in Hardin-Simmons, will be my supply Sunday morning. He is a splendid preacher, and I hope we have a large congregation to hear him. Sunday night the Hardin-Simmons male quartet will have charge of the entire service.

I will be home for Mother's Day. On that day we plan to have several of the fellows from Camp Berkeley as guests. Arrangements are being made. Thanks a lot for all your kindnesses.

Sincerely,
H. E. East

Sgt. James M. Magee, from Hq. & M. P. Co. 36th Div. at Camp Blanding, Florida, is spending the week at home with his parents, Mr. and Mrs. J. M. Magee. He seems to be getting a fine trim in the army camp.

Blessed is the man who can laugh at himself.

The Healthful Home

By Mrs. J. H. King

(This is one of three articles on the "Healthful Home")

A two room house may be a healthful home while a much larger one may not be. It does not depend so much on the size of the house, tho it is more convenient to have plenty of room, as it does on the living conditions therein.

We should remember the old saying that "Cleanliness is next to Godliness" and pattern our daily lives accordingly. There are three types of cleanliness which we need each day and oft-times do not succeed in one without doing so in the others. These are: Physical cleanliness, Mental cleanliness, and Spiritual cleanliness. We need all three in order to maintain a healthful home. Needless to say, our home will be a happy and comfortable one.

The homemaker has the first responsibility in creating a healthful home. Hers must be the shining example of what she expects of those who live in her home. In the case of children in the home, this is especially important. Because a little child will always try to be like his parents. From this we see that a great part of the responsibility is also with the father of the family. He must watch his personal habits and manners inside his home just as closely as he does in his business. Of course, the homemaker is the person around whom the household either flows smoothly or runs rampant. It is up to her to keep herself clean and her home clean and com-

fortable so as to produce a healthful environment for her family.

In the home is laid the foundation of all character. We must first be clean in our minds in order to want to keep our bodies clean. An evil mind and an unclean body seem to go together, but who can understand a clean mind tolerating an unclean body. We don't think it can be done. So let's all remember to keep our thoughts clean and clear, and to let ourselves always see the good things about this world in which we live and to try to be tolerant and understanding of the faults of others. We will find our clean minds working wonders for us in improving our disposition as well as our digestion. We just can not be mentally unhappy and be physically well.

Last, but certainly not least, comes the importance of being spiritually clean. Every home, no matter how clean its rooms or how rich or poor its furnishings, always falls short of what was intended, if that home is without love. The love of home and family and the desire to obtain and keep the love of those about us certainly depends on something more than the fact that our house is clean and our bodies are clean. The sense of physical and mental well-being certainly ties in with a sense of spiritual peace. During the time of a world crisis or during the time of peace, we must undoubtedly know that in order to have a healthful home we must keep ourselves healthful in these three respects.

Corporal Jack Miller and Sgt. Collins, of Camp Bowie, accompanied by Misses Geraldine Lindsey and Mary McKeehan, of Cisco, were here Saturday to visit Jack's parents, Mr. and Mrs. Pat Miller.

Uncle Sam asks us to Hoard Coal Now

Coal is one thing the Government definitely wants us to hoard this spring and summer

● We are asked to buy coal now, if we are coal users, (1) to protect ourselves against a possible coal shortage next winter, and (2) to help make more freight cars available then for moving vital war material. Spreading coal shipments over a longer period than usual will do just that.

● Most folks wait until the last minute to order their winter's coal supply. Many millions of tons of coal must then be moved by rail in a very short time. Next winter's

war needs and the tire shortage will put the greatest load on the railroads in their history. War freight must move first, and those who wait too long to order their coal may not be able to get prompt delivery when they need it.

● So we repeat Uncle Sam's friendly warning to us all. If you use coal, get in your winter coal supply now, in the off season, when transportation is available. You'll help yourself and also help win this war.

AT YOUR SERVICE—subject always to war demands, Santa Fe is maintaining regular and efficient freight and passenger transportation vital to your community. Turn to your Santa Fe Agent for information about it.

POT SHOTS FROM McCAULEY

BY GEO. DARDEN

Mr. and Mrs. Bill Pickron left for San Antonio Tuesday to attend the graduation of the flying cadets at Kelly Field where their son, Billie, is getting his wings.

We have just received a good letter from B. B. (Doc) Perryman who is at Pearl Harbor with the navy. We were very glad to hear from our old friend Doc and he also sent his regards to all of his friends. Doc says that he is delighted with the navy and has gained twelve pounds.

Mrs. Effie B. Parker, sister of Mrs. Jake Kinsey, passed away on April 22, after a long illness. Mrs. Parker was making her home with the Kinsey family south of McCauley. Burial was in Rotan with the Weathersbee Funeral Home in charge.

Miss Maurine Hern, 7th District Agent from A. & M. College, and Miss Jewell Hipp, Fisher County home demonstrating agent, visited in the home of Mr. and Mrs. J. A. Jackson last Wednesday night. Miss Hipp is being transferred to Coleman to take over the same duties in that county as she has so successfully filled in Fisher county. The home demonstrating clubs of this county regret to lose Miss Hipp. The entire county wishes Miss Hipp every success in her new work.

Mr. and Mrs. A. C. Martin and daughter, Mrs. Allie Barton, of Afton, Texas, and Mrs. Charles Walker and son of Hawley, Mrs. George Winters of Abilene and Mrs. Jim

Carlton of San Diego, Calif., visited Cicero (Pa) Martin last Sunday. All are nieces and nephews of Mr. Martin.

Cecil Eivens and wife of Lubbock visited parents in McCauley and Hamlin last week end.

Mr. and Mrs. Lonnie Maberry of McCauley are the proud parents of a brand new baby daughter.

Mrs. Robert Lewis Jr. has just returned from Bisbee, Ariz., where she visited her husband's parents. Mrs. Lewis plans to leave Friday for Ft. Bolivar, Va., to join her husband, Master Sergeant Robert Lewis Jr. who is attending an Officers school at Ft. Bolivar.

Mr. and Mrs. Ben Maberry of Grand Prairie, Texas, are visiting friends and relatives in this community this week.

It looks as if men with dependents will likely be called into service by this fall, however, the Government is going to make provisions for families left behind and if it takes us old married men to help win this war, then the thing we think to do is get started.

Lieutenant Albert Maberry and wife and baby have been transferred from Camp Roberts, Calif., to Texas City. Enroute they visited for a week in the home of Mrs. Maberry's parents, Mr. and Mrs. John Frank Maberry.

Mrs. Loyd Madden underwent an operation in an Abilene hospital this week.

Mrs. O. T. Hennington, with the Junior class went to Sweetwater last Tuesday. They had dinner at the Bluebonnet hotel and then attended a picture show. Mrs. Hennington was director of the Junior class play recently given at the school house.

The Junior-Senior banquet at the McCauley Baptist church last Thursday night, April 23, was reported a great success with Rev. E. C. Dick, master of ceremonies. Short talks were made by Supt. Powers, and Rev. Finess McBeth, pastor of the First Baptist church at Anson, after which Mrs. Roy Hennington gave the welcome address, and Mrs. H. P. Powers introduced the principal speaker of the evening, Dr. White, president of Hardin-Simmons University.

The talk is that drilling operations are about to cease in the oil field south of town due to drilling equipment which is getting harder and harder to get, and we understand that the well on the Bridges farm 2 miles south of McCauley is a duster. After the war drilling around McCauley will likely be resumed.

Farmers are hard at work putting seed in the ground after good rains, which visited this community last week. Crop prospects thus far are tip-top.

About all we know except home town gossip, is what we hear on the radio, and this being Tuesday night and just a few minutes before the President speaks, we say thumbs up til next week.

O-O-O

Hitler's speech the other day was that of a very worried war monger and he keeps telling the German people what his armies will do next year. In fact, he even threatens the citizenship of Germany to bow down to his every wish or he will send his Gestapo after them.

Our boys who are in the different branches of the armed forces are getting restless and want action and it seems that Australia will be the main jumping off place from which to attack our enemies, and in the near future we will be sending our bombers and fighters to all parts of the world and beyond a reasonable doubt Tokyo and Berlin will see the skys so full of American bombers and their cities will be so thoroughly bombed that the destruction of the cities of England will be child's play compared with what Tokyo and Berlin will get, and the civilized world will agree that they have it coming to them.

The President's address to the nation Tuesday night was sound statesmanship. No loyal American will fail to co-operate with the President and if it takes tires, sugar or what ever our armed forces may need, then surely, Americans will endure what ever may come our way in order to win the war as well as the peace which is to follow.

Mrs. Sallie Jane Holloway of Corinth is visiting in the home of Mr. and Mrs. H. B. Holloway. They all visited in the home of Ted Holloway at Anson Sunday.

The Dovie Methodist young people held a council meeting, Tuesday night in the home of Mr. and Mrs. I. T. Green.

The Dovie Defense Club held their first social at the Dovie schoolhouse Friday night. There were thirty-one present. Many enjoyed playing forty-two and Chinese checkers. The children enjoyed outdoor games. The next meeting will be May 22.

The Dovie school is very proud of the new stage curtain. They are especially grateful to Mrs. R. L. Goodgame, who solicited the ads, and the Hamlin merchants who contributed. It is a lovely curtain.

Mrs. J. W. Holden and Mrs. B. L. Holden left Sunday for Austin to visit Mrs. Len Blackman who has been ill for some time. Mrs. L. B. Holden and Mrs. I. T. Green accompanied them to Seymour.

Mr. and Mrs. R. L. Goodgame and Mrs. Paul Goodgame were in Abilene Monday.

Sugar registration will be held at the Dovie school house Monday, May 4. They are hoping to be able to register everyone on that day so that school will not have to be dismissed but the one day. They will be open to register at nine o'clock Central Standard Time.

Mr. and Mrs. A. D. Brooks and children of Midland came to visit Mr. and Mrs. C. L. Adams last week.

Baylor Theatre Touring Co. Presents Macbeth at High School Auditorium

A colorful, realistic production of Shakespeare's "Macbeth" by Baylor Theatre Touring Company comes to Hamlin May 4, under the sponsorship of the Woman's Literary Club. The touring version of the same play which attracted audiences to Waco from all over the Southwest will be presented in the High School auditorium at 8:00 Monday evening. Tickets may be purchased from Mrs. Tate May.

The Bard of Avon's classic tragedy has been interpreted in a modern vein, giving free rein to its driving power and modern significance. The story of Macbeth parallels the rise of many modern dictators who have killed to gain their power and have been forced to kill to maintain it.

The witches and their weird flowing dances open the play, and from this mysterious opening, the play never slackens its pace. Macbeth's rise to power as he is engulfed in the consequences of his deed is climaxed in a hard-fought battle scene involving actual combat with swords, daggers, spears, and staffs.

Baylor University's touring company is the first collegiate group of its kind in the Southwest. Sponsored in part by Rockefeller foundation the group of fourteen are producing "Macbeth" and two religious dramas in thirty-five cities in Texas in addition to productions of "Borned in Texas" in six army camps over the state.

Special scenery, unusual lighting effects and costumes carried by the troupe, provide an effective setting for the play.

Pvt. Revis O. Robertson, son of Mr. and Mrs. R. J. Robertson, writes his friends that his address is 301st Sqdn. Recruit Detch. Kern County Airport, Bakersfield, Calif. There are several Hamlin people whose address is Bakersfield who should look Revis up and entertain him some Sunday. Also remember Hamlin soldier boys enjoy getting a card or letter from their home-folks. To be remembered helps a fellow sleep better when far from home.

The Old Boys Counted Fast At Monday Registering

Now somebody will say "Ye Editor is bragging" when we tell you the "cream of the crop, the bulk of the bunch, the pick of millions" registered last Monday for "war duties." It was the "Old Man's Day," and how they did flock down there to register.

Late in the morning, Ye Editor sauntered off down that way to register on the dotted line, and by heck, they had such a crowd in there till a guard had to stand at the door and hold the jam back. The biggest bunch of "boys" yet seen at any registering in Hamlin.

Long before night Herman McBride, who was managing the registering, ran out of cards. The same report comes from Anson, and as far as we can learn the old boys counted up pretty fast all over the nation to about two times what either of the other R days were. So why not say "The bulk of the boys, and the pick of the crop."

Somebody will say, "The old guys can be happy and ready to sign up, because everyone of them know they will not have to go to fight." Buddy, you don't know human nature if you talk that way. Thousands of those men over the nation have sons already on the battle front, or soon will have and would welcome a chance to go fight with them or take their places. Their spirits are anxious and willing but maybe their bodies have been "picked" and they could not stand all the gaff.

We say they are the pick of the crop, because its likely everyone of them has been "picked over" a plenty in the 45 to 65 years of their lives. Today the bulk of the financial and moral responsibility of the nation lies upon their shoulders. So when Uncle Sam says come do this or that, the old boys will yell with gladness when they are called to do something concrete to help their sons whip the stuffin out of the bull-headed Germans, the Yellow slant-eyed Japs.

Yes sir, it was clear pride seen in the faces of the elderly men Mon-

Iris Pribble Fights To Get Into Army

This week L. B. Pribble, rural mail carrier on Route 1, handed the Herald a clipping from the Hobbs, New Mexico News-Sun, which told about Iris Pribble being "Hobbs' Most Rejected Man." It seems that Iris was introduced that way last week at the Hobbs Lions Club. The article reads as follows:

"Iris was one of the first Lea County men called when the conscription began last year. He was rejected because of physical disability. After war started, Pribble tried to volunteer with both the Navy and Marines and was rejected both places. Last week, he enlisted with Capt. Kern Aldridge's Wrench Regiment, and again was turned down.

"But I still have hopes," Pribble said today. "I think the local draft board is going to call me next week, and maybe I'll get in that way. If not, I hope to get in some kind of defense work."

"Pribble's brother, Foy, is one of the U. S. fighters in the Philippines."

The Pribble Bros., Iris and Foy went from Hamlin to Hobbs and started a good floral business. Both were called early, and Foy is one of several Hamlin boys caught in the Philippines. He has not been heard from in a long time. But the few from Hamlin and Texas is small compared to the 55 taken from one county, Lea, New Mexico, with Hobbs furnishing many.

The paper says, "The 200th Coast Artillery, whose gallant heroes are believed to have fallen in the jungle fighting on Bataan or to have been captured by the Japanese contained fifty-five of Lea County's own sons."

day to feel that once again they had a chance to line up for some kind of service in a fight for their country, and we are glad to say that for them.

Line Up For Sugar Register Mon. or Tues.

Registration for the rationing of sugar will be held in the Hamlin High school building, beginning May 4th at 8:30 A. M. and will continue through Thursday, May 7th. School will be dismissed Monday, May 4th and Tuesday, May 5th, and it is our desire that all who can will register during those two days.

We are dividing our town at Seventh street which is the street running North of the High school and North of the City Hall. We are requesting that all persons living on the North side of this street and North of this street register on Monday, May 4. All persons living on the South side of this street and South of this street are requested to come on Tuesday, May 5 and register. One member of your family, if he is over eighteen years old may register for the entire family. All persons living outside the city limits and West or South of the Anson-Hamlin highway and West of the Aspermont highway are requested to register on Monday, May 4th. All persons living outside the city limits, and East of the Aspermont-Hamlin highway and East and North of the Anson-Hamlin highway are requested to register on Tuesday, May 5th.

Every person living in the Hamlin school district should register or be registered regardless of the amount of sugar you possess. Later other articles may be rationed. A person taking all meals at a cafe or hotel should register. A person traveling or visiting in Hamlin should register if they are sure that some one is not registering for them at home.

Person coming to register will report at the High school auditorium and will be directed there. Everyone will be registered in the order of their arrival at the registering booth.

A person registering must be able to give the height, weight, age, color of eyes, color of hair of every member in the family and the total amount of sugar in possession of the family.

As it is expected that over 3,000 persons will be registered your patience and co-operation is solicited.

Jones County Sheriff To Hold Open House For The New Jail

Here is your chance to go to jail... a good, nice, new fireproof jail. Sheriff Bill Dunwoody announces that he is holding "open house" to the citizens of the county this week end. Note these hours:

Friday, from 1 to 5 P. M.
Saturday, from 9 A. M. to 12:00 (noon) and from 1 P. M. to 5 P. M.
Sunday, from 1 P. M. to 5 P. M.
What an opportunity! Every citizen should go to jail The Sheriff did not say whether or not he would serve refreshments, like lemonade and punch, but it would be a good idea. Bill says he will promise everyone not to keep 'em locked up more than thirty minutes.

As as for Ye Editor, we have never been in the Jones County jail but once, and then the old, antiquated, nasty, wornout, filthy place was so disgusting and so far from decency that it made us ashamed and sick. So now we are going back to see how the new jail looks. Yes siree, go right over there and get acquainted, even if something to drink is forgotten.

Go look at your jail.

Miss Lennie Greenway and her sister, Mrs. Fallie Goedeke were visited Sunday by flying instructor, Charles Walker from the Garner Field at Uvalde, Texas. This young man is a Hamlin born boy, a son of Mr. and Mrs. R. E. Walker, formerly of Hamlin, and now near Plainview. His mother is a sister of Miss Greenway. Young Walker is a graduate of the State University, majoring in aviation instruction.

Brotherhood Meeting At Sylvester May 5

Harvey Cromwell will speak to the bi-district brotherhood Tuesday, May 5, at 8:45 P. M., at Sylvester Methodist church.

Mr. Cromwell is Professor of Speech in McMurry College. He will speak on the subject, "The Layman's Place in a World at War." Every man is cordially invited to come enjoy a good meal, and an inspiring message. We would like to see 100 laymen at the meeting. There were only 49 at McCaulley for the last meeting. We must not give up God and His work.

Remember to be at Sylvester on Monday night.

Mrs. M. Y. Wilson returned last Saturday night from a stay of five days with her son, M. Y., Jr., in the Army hospital at Ft. Leavenworth, Kansas. M. Y. had been operated upon for appendicitis, while doing service in the air corps. Mrs. Wilson was accompanied by her son Jack Wilson, wife and baby of Hollis, Oklahoma. She has the greatest praise for the army hospital, doctors, nurses, equipment, and treatment. Mrs. Wilson says every mother should get to see an army hospital where their sons might have to be cared for. M. Y. is improving and should soon be back at his post of service.

D. F. Griffin, Jr., a sailor boy on a big battle ship in the Pacific arrived home Tuesday on a ten days furlough. He gave all the family a great surprise. His mother is Mrs. Dock Griffin.

Prepare For Tornadoes

To meet tornado or flood disaster needs or civilian defense emergencies, Red Cross Chapters have just been instructed to create "quilt chests" in all communities and instructions are outlined by Jones County Chapter Foundation room in Stamford.

Of all quilts made in rural or town production rooms, a portion is to be retained and stored in moth, mouse and rat proof manner. Number of quilts kept in the community as "emergency chest" is to be reported monthly to the chapter production room, Mrs. L. M. York, chairman, Stamford. This accounting is required to enable Jones County Chapter to report immediately the number of covers it could supply in event of a sectional disaster or defense need.

An appeal is also made for donations to the Red Cross quilt chest. Persons storing quilts and blankets for the summer are requested to contribute any such coverings that have outworn usefulness in so long as these are clean.

O. G. Ebert was able to come home last Sunday from Houston where he had spent a month taking treatment for eye trouble. A cataract was removed and now he can see fine. He also had some dental trouble removed and now is free from a painful cramping in his legs. Mr. Ebert has been operating a blacksmith shop here 35 years.

Mrs. J. H. Foster was taken to the Rotan Hospital on Thursday for a major operation. She is reported doing fine.

WHAT YOU CAN BUILD

Under the New Government Building Order

Repairs and Maintenance

There are NO RESTRICTIONS On Repairs and Maintenance

"REPAIRS" means the restoring to sound working condition of any building structure after wear or damage, but without changing the design.

"MAINTENANCE" means the upkeep of a building; structure; or project in sound working condition, without any change in design of structure.

Thus, anyone may do any repair or maintenance they desire on any existing building structures. This includes homes; farm or ranch buildings; store buildings; factories; theatres; warehouses; schools or other public buildings, etc. It includes all fencing, walks, out-buildings and appurtenances to such buildings or projects.

NEW CONSTRUCTION

"NEW CONSTRUCTION" includes, not only homes; ranch and farm buildings and improvements; commercial structures, etc., but also additions to or design changes in any existing structures of any type.

FOR FARMERS & RANCHERS

Any farmer or rancher can make additions to, or build new, any individual building, structure, project or improvement (other than his home) costing less than \$1,000. Each individual project must cost less than \$1,000 in any 12 month period. (But remember, repairs and maintenance are unlimited.)

For HOME OWNERS CITY AND RURAL

Construction of a new home or additions and design changes in existing homes must cost less than \$500 in any 12 month period. This applies to farm, ranch, and city homes. But "Defense Housing" is unrestricted. (But remember, repairs and maintenance are unlimited. This includes paint, wall paper, roof replacements, etc.)

FOR BUSINESS CONCERNS

Any industrial, commercial, or recreational business institutional business institution can add to, or build new, any structure or improvement costing less than \$5,000 in any 12 month period. This same applies to schools and public institutions. (But remember, repairs and maintenance are unlimited.)

Residential Replacement

Residences damaged or destroyed by fire, flood, earthquake, storm, act of God or the public enemy since December 31, 1941, can be completely replaced. This applies to both city and rural homes.

SPECIAL PERMITS

Application for a Special Permit may be made by anyone desiring to make additions to existing structures or to build new ones where the cost is above the limits set forth above. Sufficient cause must be shown for such permit.

This week one of our subscribers wrote: "Besides getting all the local news of Hamlin, I have decided that your editorials on the war and slackers along with Geo. Darden's fine 'Darden-O-Gramps' are all worth the price of the Herald. Thanks a lot."

M. T. C.

A soldier boy writes: "I have been assigned to the Air Corps but don't know yet just which branch. "Of course there are not many of us in the army by our choice but as we are in, we are determined to do our best to be soldiers who will honor and uphold all our country's traditions. We are confident of victory and with God's help we will win and it will be a 'smashing' victory."

"Visit with my parents often and encourage them to visit, to come to town, mix with people, etc. I know that will help them in their lonely hours. They must, as well as everyone left at home, face this as bravely as possible. This is their war as much or maybe more than ours and they must train to fight even as we do, though it not be in the same manner."

WELL, soldier, that's the spirit. Upon the manly shoulders of young men like you falls the glory of defending the greatest ideals of government and Christian decency in the history of the world. And you bet we folks back home will not let you down.

—T & T—

Good Results—

By reason of the curtailment of tires, and available automobiles, Texas people have been saved much pain and tragedy, as shown by reports covering the first three months of 1942 as compared to the same period of 1941.

During those months in 1941, there were 393 accidents in Texas and 442 deaths. The same three months' time in 1942, Texas has had 315 accidents and 378 deaths. So we see that curtailment has lessened accidents by 78 and deaths by 64. That is a wonderful "conservation" of humanity.

Hitler's New Hitch—

"Horrible Hitler" has broken out again (at the mouth).

"Horrible Hitler" has gone to begging. Hitler begging? Whoever would have thought Hitler would beg?

"Horrible Hitler" has a habit of making quick, almost unannounced speeches, designed either for his home people or for the countries which he hates. Last Sunday he let out another rage.

You see Hitler burned his German Parliament house (The Reichstag Building) and now when he wants to belch fire and brimstone he quickly calls his uniformed henchmen, so-called Reichstag, to meet in the Kroll Opera House (there he puts on his show).

His Sunday speech was strictly for home use. It would seem "Horrible Hitler" thinks his German people have shown indications of softness, and that will never do, if he and his perishing army whips Russia, whips England, whips the United States and millions of others on whose necks he now holds his heel. Softness will not be tolerated by a dictator.

Hitler says:

"I therefore beg of the German Reichstag explicit confirmation that I am legally entitled to hold anyone to his duties or to sentence or cashier or oust from office and position anyone without consideration of his person or well-earned privileges who in my conscientious opinion does not fulfill his duties."

Hitler is running up against a lot of natural obstacles. The first seems to have been the bitter cold of Russia where "men and machines threatened to freeze", where "the vastness of the country must count a psychological burden", where the "paralyzing effects of cold make men go to sleep and kills them without pain."

Now "Terrible Hitler" is running up against the "human" obstacle. Which obstacle up to the recent cold months has been docile, tractable, seemingly willing, ready to carry out his horrible demands.

German people are not fools, even though they do seem not to have any backbone, or guts. Under the fear of the whip and lash of a Hitler, fighting for (nobody knows what) the German people must suffer. When endurance, hunger, sickness and burned blackness overshadow every hamlet, then it is that the Friends of Freedom will continue their march into the "in-lards" of Germany and cut and slash till every type of war machine is put out of use.

German people may be thinkers but past history does not prove it. Possibly too many of them thought in terms of self while the thongs of tyranny were gripped about them, slowly and certain.

The trip "in" is generally easy and painless, quick BUT the way "out" is long, horrible, deathly and awfully slow. It is now up to German people to get "out" of the shackles they allowed themselves to be led.

—T & T—

What Can I Do?

"In the months that lie ahead, the bodies of many young Americans will carpet the floors of the seven seas or be left behind on battlefields we cannot even name.

"The rest of us must do what we can—and never, never squawk. Indeed, in behalf of the armed forces of this country and all of those who in these days must go down to the sea in ships, let me give you this message.

"If in this War you have to give up every comfort you've grown used to, if taxes take every penny you own, yes, if your very home is blown to bits in a raid, may I be permitted to inquire, What of it?"

"Not everyone can get into the armed forces, but I think today that this country swarms with men and women who are aching to help. Each asks a single question. What can I do? There is just one answer to that—your best."

awake women ply thimble and thread at least one day of each week. While others absolutely do nothing.

The Herald Editor was in the local Red Cross room, Tuesday. There were just two women there... one a mother of a son in an air corps, the other with a son in a ship building yard. Just two women. They were sewing on heavy wool garments to be sent to the St. Louis Red Cross headquarters, to be sent where needed over the wide world. Wars tax the energies of all kind hearted peoples everywhere. Each and every small community should do its part. Soldiers are not looking for charity for anything because the government sees to it that they are fed and clothed, but where armies go, where floods, and storms, epidemic and hunger rages, there it is that the loving hand of a good woman in a Red Cross room counts.

Now let's get down to HOME to Hamlin. From Monday through Friday, some one woman has assumed the part of Sponsor for Red Cross work. She has her small group of helpers on those days. Not near enough. Now what they want is more women to ask for a place on days that they can serve.

Women who have a heart to work in such emergency, deserve a place on the Honor Roll. So the Herald is going to take pleasure in starting such a roll, do YOU want on it? Visit the Hamlin Red Cross any afternoon and ask "What can I do?"

Cadet Frank Hillier from Randolph Field came up on Thursday last week for a two day stay with his parents, Mr. and Mrs. Frank Hillier.

ARE YOU PROUD OF YOUR BATHROOM?

DOES YOUR KITCHEN NEED REPAINTING?

MODERNIZE With Sewall PAINTS

Any kitchen or bathroom, regardless of size or shape, can be made very attractive, if properly styled with paint color. Unsightly fixtures or old fashioned woodwork can be blended out of notice. Even old, well-worn, scuffed floors can be made smart looking by spattering or stencilling. Use color freely in your kitchen and bathroom. We have a wide range of the season's newest color schemes to choose from. It

costs very little to paint a kitchen or bath room. But be sure to use good paint that will withstand frequent washing down with soap suds because kitchens and bathrooms get hard wear and are bound to accumulate a dingy film, finger marks or dirt smudges that just can't be avoided. Farm Records

All farmers are requested by the Internal Revenue to keep farm records this year of all their expenses and incomes. In 1941 only 20 per cent of the farmers in this section of the country kept these records and their income tax was extremely hard to calculate. Since more farmers this year will pay income tax than ever before it is absolutely necessary to keep records. For Farm Record books contact this office.

Disorder of Laying Hens

When laying hens show soiled condition around the vent it is a sign of an intestinal disorder and the following treatment is recommended:

Put 2 teaspoons of soda in a gallon of drinking water for one day. Then make up a solution adding 2 ozs. of blue stone to one pint of vinegar and add a tablespoon full of this solution to each gallon of drinking water until the disorder is cleared up.

Calcium Arsenate Shortage, But Not Sulphur

The cotton farmers will be faced with a decrease of 25 to 40 per cent of an available supply of calcium arsenate for controlling boll

weavils. At the present time the availability of other very effective boll weevil controls cannot be counted upon, but the Department of Agriculture is working on the possibility of securing Paris Green, white arsenic, synthetic cryolite and lead arsenic. There is a definite shortage of all of these materials.

There will be no shortage of dusting sulphur for controlling the flea hopper and every one should watch their cotton closely when the small square begins to form for signs of this injurious insect. It is estimated that the flea hopper cuts the cotton production of Jones County 25 per cent from year to year. An entomologist will be in Jones County this year and make a survey when it is time for the flea hopper to appear. All the farmers will be notified of his findings.

Schubert Club to Observe National Music Week

For the past few years it has been the custom of the Schubert Club to bring some special entertainment to the people of Hamlin during National Music Week, May 3rd to May 10th.

The Schubert Club and Junior Schubert Club co-sponsors a two piano program, presenting Misses Eva Mae Coffman and Carlisle Holschauer of McMurry College, Abilene, Thursday evening, May the 7th, at 8:30 o'clock at the Baptist church. The public is cordially invited to attend.

The club also wishes to call attention to other music affairs in Hamlin during Music Week.

The Hardin-Simmons University Quartet of Abilene will present a program Sunday night, May 3rd at the Baptist church.

Friday night, May the 8th, the High School Band will give a concert at the High School Auditorium.

A sacred concert will be given at the Methodist church Sunday night, May the 10th.

Former Hamlin Girl Marries In Breckenridge

Miss Zelma Knight, daughter of Mr. and Mrs. L. R. Knight, and Jack Harris, son of Mr. and Mrs. A. G. Harris, were married Monday evening, April 27, in the parsonage of the First Baptist church in Breckenridge.

The single ring ceremony was read by the pastor, the Rev. Roger Hebard at 8:00 o'clock with only the bride's and groom's mothers attending.

The bride wore a navy ensemble with white and black accessories. Her corsage was fashioned of red rose buds.

Immediately following the ceremony a reception was held at the home of the bride's parents at 902 W. Dyer Avenue. Among the guests attending were the bride's sister, Mrs. R. J. McIntyre and daughter, Judy of Hamlin.

Mrs. Harris finished high school in Hamlin and Mr. Harris was graduated from Breckenridge High school, and attended the University of Texas, and T. W. C.

The couple are making their home in Fort Worth where Mr. Harris is employed in defense work.

Afternoon Tea Honors Miss Lasley

Miss Edwina Gilbert entertained in her home on Jackson Avenue Saturday afternoon, April 25, with a tea honoring Miss Nancy Craig Lasley, head of the piano department, McMurry College, Abilene. Receiving were Mrs. Jack Russell, Miss Gilbert, Miss Lasley and Mrs. W. H. Gilbert. Miss Selma Hassen invited the guests to the dining room where Mrs. Henry Albritton presided at the punch bowl. Those assisting in serving were Misses Margaret Sellers, Joan Culbertson, Jimmie Dee George, and Bobbie Wilson.

The table was laid in an ecru cloth. Tall white tapers flanked a bowl of yellow iris. Circling the punch bowl were multicolored pansies and fern. Arrangements of irises and pansies decorated the reception room.

Others in the house party were Misses Mary Ann McCollum, Jeanine Johnston, and Glenna Whitaker. Goodbyes were said by Misses LaNelle Carlton and Keith Louise Jobe.

The guest list included the pupils of Miss Gilbert, their mothers, and the Schubert Club. Seventy-five called during the afternoon.

Joe Martin Clements Wins At Abilene

The most expressive smile on any Hamlin boy's face is that of Joe Martin Clements since last Saturday.

Joe came back from Abilene Saturday afternoon with a blue ribbon proving again that he is a boy orator. Joe has gone the limit now. He won in Hamlin, in Anson, in Sweetwater and in Abilene. His subject was "The Fight of the Alamo."

P-T. A. Meets Thursday, May 7

The Elementary P-T. A. will meet next Thursday, May 7, at the Grammar school. This will be the last meeting this term and all mothers are urged to be present at 4:00 P. M.

One number on the program will be the winning declamation, "The Fight of the Alamo" by Joe Martin Clements, who has won all the way through the Regional contests.

Baptist Pastor Is

In San Angelo

As I announced Sunday, I am in San Angelo in a revival. I am with the Lakeview Baptist church, a new church in the city. We had a splendid congregation last night and one conversion. There are some lovely people here, and we trust that God will give us a great revival. I covet your prayers while I am here.

Dr. N. A. Moore, head of the Bible department in Hardin-Simmons, will be my supply Sunday morning. He is a splendid preacher, and I hope we have a large congregation to hear him. Sunday night the Hardin-Simmons male quartet will have charge of the entire service.

I will be home for Mother's Day. On that day we plan to have several of the fellows from Camp Berkeley as guests. Arrangements are being made. Thanks a lot for all your kindnesses.

Sincerely,
H. E. East

The Healthful Home

By Mrs. J. H. King

(This is one of three articles on the "Healthful Home")

A two room house may be a healthful home while a much larger one may not be. It does not depend so much on the size of the house, tho it is more convenient to have plenty of room, as it does on the living conditions therein.

We should remember the old saying that "Cleanliness is next to Godliness" and pattern our daily lives accordingly. There are three types of cleanliness which we need each day and oft-times do not succeed in one without doing so in the others. These are: Physical cleanliness, Mental cleanliness, and Spiritual cleanliness. We need all three in order to maintain a healthful home. Needless to say, our home will be a happy and comfortable one.

The homemaker has the first responsibility in creating a healthful home. Hers must be the shining example of what she expects of those who live in her home. In the case of children in the home, this is especially important. Because a little child will always try to be like his parents. From this we see that a great part of the responsibility is also with the father of the family. He must watch his personal habits and manners inside his home just as closely as he does in his business. Of course, the homemaker is the person around whom the household either flows smoothly or runs rampant. It is up to her to keep herself clean and her home clean and com-

fortable so as to produce a healthful environment for her family.

In the home is laid the foundation of all character. We must first be clean in our minds in order to want to keep our bodies clean. An evil mind and an unclean body seem to go together, but who can understand a clean mind tolerating an unclean body. We don't think it can be done. So let's all remember to keep our thoughts clean and clear, and to let ourselves always see the good things about this world in which we live and to try to be tolerant and understanding of the faults of others. We will find our clean minds working wonders for us in improving our disposition as well as our digestion. We just can not be mentally unhappy and be physically well.

Last, but certainly not least, comes the importance of being spiritually clean. Every home, no matter how clean its rooms or how rich or poor its furnishings, always falls short of what was intended, if that home is without love. The love of home and family and the desire to obtain and keep the love of those about us certainly depends on something more than the fact that our house is clean and our bodies are clean. The sense of physical and mental well-being certainly ties in with a sense of spiritual peace. During the time of a world crisis or during the time of peace, we must undoubtedly know that in order to have a healthful home we must keep ourselves healthful in these three respects.

Corporal Jack Miller and Sgt. Collins, of Camp Bowie, accompanied by Misses Geraldine Lindsey and Mary McKeehan, of Cisco, were here Saturday to visit Jack's parents, Mr. and Mrs. Pat Miller.

Uncle Sam asks us to Hoard Coal Now

Coal is one thing the Government definitely wants us to hoard this spring and summer

● We are asked to buy coal now, if we are coal users, (1) to protect ourselves against a possible coal shortage next winter, and (2) to help make more freight cars available then for moving vital war material. Spreading coal shipments over a longer period than usual will do just that.

● Most folks wait until the last minute to order their winter's coal supply. Many millions of tons of coal must then be moved by rail in a very short time. Next winter's

war needs and the tire shortage will put the greatest load on the railroads in their history. War freight must move first, and those who wait too long to order their coal may not be able to get prompt delivery when they need it.

● So we repeat Uncle Sam's friendly warning to us all. If you use coal, get in your winter coal supply now, in the off season, when transportation is available. You'll help yourself and also help win this war.

AT YOUR SERVICE—subject always to war demands, Santa Fe is maintaining regular and efficient freight and passenger transportation vital to your community. Turn to your Santa Fe Agent for information about it.

POT SHOTS FROM M'CAULLEY

BY GEO. DARDEN

Mr. and Mrs. Bill Pickron left for San Antonio Tuesday to attend the graduation of the flying cadets at Kelly Field where their son, Billie, is getting his wings.

We have just received a good letter from B. B. (Doc) Perryman who is at Pearl Harbor with the navy. We were very glad to hear from our old friend Doc and he also sent his regards to all of his friends. Doc says that he is delighted with the navy and has gained twelve pounds.

Mrs. Effie B. Parker, sister of Mrs. Jake Kinsey, passed away on April 22, after a long illness. Mrs. Parker was making her home with the Kinsey family south of McCaulley. Burial was in Rotan with the Weatherbee Funeral Home in charge.

Miss Maurine Hern, 7th District Agent from A. & M. College, and Miss Jewell Hipp, Fisher County home demonstrating agent, visited in the home of Mr. and Mrs. J. A. Jackson last Wednesday night. Miss Hipp is being transferred to Coleman to take over the same duties in that county as she has so successfully filled in Fisher county. The home demonstrating clubs of this county regret to lose Miss Hipp. The entire county wishes Miss Hipp every success in her new work.

Mr. and Mrs. A. C. Martin and daughter, Mrs. Allie Barton, of Afton, Texas, and Mrs. Charles Walker and son of Hawley, Mrs. George Winters of Abilene and Mrs. Jim

Carlton of San Diego, Calif., visited Ciscero (Pa) Martin last Sunday. All are nieces and nephews of Mr. Martin.

Cecil Eivens and wife of Lubbock visited parents in McCaulley and Hamlin last week end.

Mr. and Mrs. Lonnie Maberry of McCaulley are the proud parents of a brand new baby daughter.

Mrs. Robert Lewis Jr. has just returned from Bisbee, Ariz., where she visited her husband's parents. Mrs. Lewis plans to leave Friday for Ft. Bolivar, Va., to join her husband, Master Sergeant Robert Lewis Jr. who is attending an Officers school at Ft. Bolivar.

Mr. and Mrs. Ben Maberry of Grand Prairie, Texas, are visiting friends and relatives in this community this week.

It looks as if men with dependents will likely be called into service by this fall, however, the Government is going to make provisions for families left behind and if it takes us old married men to help win this war, then the thing we think to do is get started.

Lieutenant Albert Maberry and wife and baby have been transferred from Camp Roberts, Calif., to Texas City. Enroute they visited for a week in the home of Mrs. Maberry's parents, Mr. and Mrs. John Frank Maberry.

Mrs. Loyd Madden underwent an operation in an Abilene hospital this week.

Mrs. O. T. Hennington, with the Junior class went to Sweetwater last Tuesday. They had dinner at the Bluebonnet hotel and then attended a picture show. Mrs. Hennington was director of the Junior class play recently given at the school house.

The Junior-Senior banquet at the McCaulley Baptist church last Thursday night, April 23, was reported a great success with Rev. E. C. Dick, master of ceremonies. Short talks were made by Supt. Powers, and Rev. Finess McBeth, pastor of the First Baptist church at Anson, after which Mrs. Roy Hennington gave the welcome address, and Mrs. H. P. Powers introduced the principal speaker of the evening, Dr. White, president of Hardin-Simmons University.

The talk is that drilling operations are about to cease in the oil field south of town due to drilling equipment which is getting harder and harder to get, and we understand that the well on the Bridges farm 2 miles south of McCaulley is a duster. After the war drilling around McCaulley will likely be resumed.

Farmers are hard at work putting seed in the ground after good rains, which visited this community last week. Crop prospects thus far are tip-top.

About all we know except home town gossip, is what we hear on the radio, and this being Tuesday night and just a few minutes before the President speaks, we say thumbs up til next week.

Hitler's speech the other day was that of a very worried war monger and he keeps telling the German people what his armies will do next year. In fact, he even threatens the citizenship of Germany to bow down to his every wish or he will send his Gestapo after them.

Our boys who are in the different branches of the armed forces are getting restless and want action and it seems that Australia will be the main jumping off place from which to attack our enemies, and in the near future we will be sending our bombers and fighters to all parts of the world and beyond a reasonable doubt Tokyo and Berlin will see the skys so full of American bombers and their cities will be so thoroughly bombed that the destruction of the cities of England will be child's play compared with what Tokyo and Berlin will get, and the civilized world will agree that they have it coming to them.

The President's address to the nation Tuesday night was sound statesmanship. No loyal American will fail to co-operate with the President and if it takes tires, sugar or what ever our armed forces may need, then surely, Americans will endure what ever may come our way in order to win the war as well as the peace which is to follow.

A DARDEN-O-GRAM

Friends of H. C. Scruggs will be happy to learn that he has been elected as head foot ball coach in the Ranger schools, where he has been serving as assistant coach for the past three years. Mr. Scruggs was a former teacher in the Plasterco school, and is a son-in-law of Mrs. J. B. Akins, of Hamlin.

DOVIE NEWS

By Stella Ray Pryor

Mrs. Sallie Jane Holloway of Corinth is visiting in the home of Mr. and Mrs. H. B. Holloway. They all visited in the home of Ted Holloway at Anson Sunday.

The Dovie Methodist young people held a council meeting, Tuesday night in the home of Mr. and Mrs. I. T. Green.

The Dovie Defense Club held their first social at the Dovie schoolhouse Friday night. There were thirty-one present. Many enjoyed playing forty-two and Chinese checkers. The children enjoyed outdoor games. The next meeting will be May 22.

The Dovie school is very proud of the new stage curtain. They are especially grateful to Mrs. R. L. Goodgame, who solicited the ads, and the Hamlin merchants who contributed. It is a lovely curtain.

Mrs. J. W. Holden and Mrs. B. L. Holden left Sunday for Austin to visit Mrs. Len Blackman who has been ill for some time. Mrs. L. B. Holden and Mrs. I. T. Green accompanied them to Seymour.

Mr. and Mrs. R. L. Goodgame and Mrs. Paul Goodgame were in Abilene Monday.

Sugar registration will be held at the Dovie school house Monday, May 4. They are hoping to be able to register everyone on that day so that school will not have to be dismissed but the one day. They will be open to register at nine o'clock Central Standard Time.

Mr. and Mrs. A. D. Brooks and children of Midland came to visit Mr. and Mrs. C. L. Adams last week.

BOYD CHAPEL CHIRPS

By Mrs. James Ferguson

Mrs. Susie Tabb and son Elton of Conroe are visiting in the homes of Mr. and Mrs. Willie Tabb and Mr. and Mrs. Claude Tabb for several days.

Mr. and Mrs. Albert Haught visited Mr. and Mrs. Luther Haught Sunday.

Mr. and Mrs. Willie Bristow and family moved back to their home this week.

The play "Let Toby Do It", presented by some of the Union young people at the Boyd Chapel school Thursday evening was enjoyed by a large crowd and also the music furnished by C. E. Young and "Bakie."

Those who helped to register men in the fourth registration Monday were C. E. Young in charge, Mr.

and Mrs. Marvin Harper, Mrs. Earl Brown of Neinda, Theron Bingham, and Mrs. Delbert Estes.

Mr. and Mrs. Willie Tabb visited Mr. and Mrs. Oscar Johnson in Trent Sunday.

Members of the H. D. C. met in the home of Mrs. Cecil Bennett on Wednesday. The morning we devoted to testing cookers and the afternoon to quilting and sewing for the Red Cross. Mrs. Earl Brown presided during the business meeting. Safer car etiquette was discussed by the members. A covered dish lunch was served to a large crowd.

The Herald has a letter from Mr. and Mrs. Raymond Elkins at Lake Charles, La., ordering the Herald, for a year. Raymond is doing army service there. His letter is interesting and part of it will appear next week in the Herald.
